ProLabs' wall chargers are RoHS compliant and lead free.

### Specifications

Parameter	Specification
Product Type	18W Single USB C Wall Charger
Charger Plug	US Plug
USB Ports	Single USB C Port
USB Input	AC 100-240V
USB Output	18W(Max) 5V 3A, 9V 2A, 12V 1.5A
Color	Black
Jacket	ABS+PC
Product Size	5.5x3.5x4.5cm
Product Weight	66g

## About ProLabs

Our experience comes as standard; for over 15 years ProLabs has delivered optical connectivity solutions that give our customers freedom and choice through our ability to provide seamless interoperability. At the heart of our company is the ability to provide state-of-the-art optical transport and connectivity solutions that are compatible with over 90 optical switching and transport platforms.

## Complete Portfolio of Network Solutions

ProLabs is focused on innovations in optical transport and connectivity. The combination of our knowledge of optics and networking equipment enables ProLabs to be your single source for optical transport and connectivity solutions from 100Mb to 400G while providing innovative solutions that increase network efficiency. We provide the optical connectivity expertise that is compatible with and enhances your switching and transport equipment.

## Trusted Partner

Customer service is our number one value. ProLabs has invested in people, labs and manufacturing capacity to ensure that you get immediate answers to your questions and compatible product when needed. With Engineering and Manufacturing offices in the U.K. and U.S. augmented by field offices throughout the U.S., U.K. and Asia, ProLabs is able to be our customers best advocate 24 hours a day.
